

**TÓRODDUR POULSEN**

**SUFFERING  
BLAZES**

**TRANSLATED BY RANDI WARD**

## **SUFFERING**

suffering  
is set  
on the table  
and eaten  
before she's  
had a chance  
to beg  
for mercy

## **BLAZES**

a blaze  
out in the fjord  
has to convince  
us  
the devil  
doesn't  
exist  
so long  
as the bonfire  
burns
